

An introduction to the HomeMade platform

What is the HomeMade platform?

We've used technology to provide you with a way to safely, easily and effectively manage your Support at Home funding and access the care and support services you want to live life on your own terms.

You can:

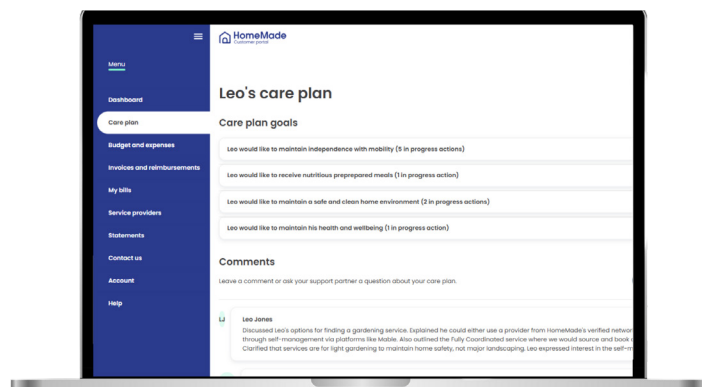

- ✓ Make informed decisions
- ✓ Build a support team
- ✓ Maximise your Support at Home funding
- ✓ Track your budget in real time
- ✓ See where your funding is being spent

Features and benefits

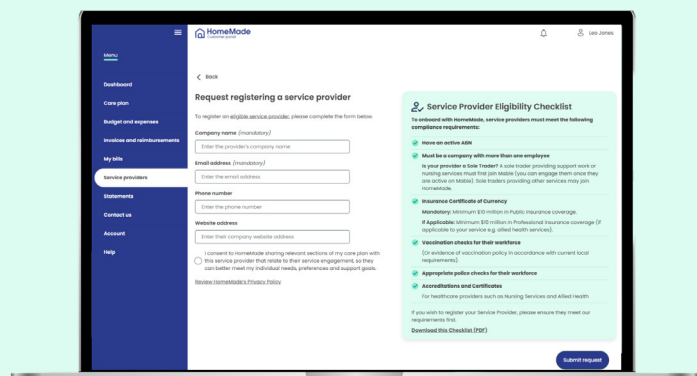

1. Make informed decisions

- ✓ A personalised dashboard with information at a glance and links to more detail
- ✓ Easy access to your care plan and budget
- ✓ View and track the actions you need to take towards your goals
- ✓ Helpful notifications and reminders

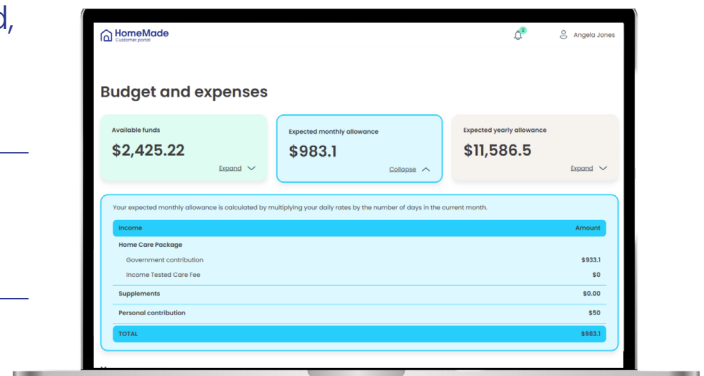

2. Build your support team

- ✓ Search our Australia-wide network of verified providers and find service providers in your local area
- ✓ Submit a request for HomeMade to onboard the providers you're interested in working with
- ✓ Download your care plan to share with service providers

3. Maximise your Support at Home funding

- ✓ Access your Homemade dashboard, plus message our support team if you need a little extra help
- ✓ Stay in control of the services and support that matters to you
- ✓ Maximise your hours of support, by seeing where your funding is being spent

4. Track your funds and budget

- ✓ Know exactly what funds you have available across your different service categories
- ✓ Review your quarterly budget and where your funds have been allocated

5. See where your funding is being spent

- ✓ Track your invoices so you know exactly how your funding is being spent
- ✓ View payment status
- ✓ View your monthly statements

The screenshot shows the 'Invoices and reimbursements' section of the Homemade dashboard. It displays a table with columns for Date submitted, L7, Service provider, Service type, Service, Amount, and Status. The table lists several invoices with their respective amounts and statuses.
